Unite | Educate | Represent

Advocacy

To represent the industry viewpoint and protect the interests of the fenestration sector in the political and regulatory landscape. Providing a credible voice in media and provincial forums and liaise with related industry and educational support organizations.

Connect

To build valuable relationships and share available resources among members, and business partners. Fenestration Manitoba represents more than 30 members from Manitoba, Canada and the U.S. Our members include manufacturers of all types and classes of window and door products, including aluminum, steel, vinyl, fiberglass, or wood construction, as well as suppliers of raw materials, processing machinery, and research and testing facilities.

Education

Access education and training programs for all members, supporting industry related studies. Supporting opportunities for training and hiring of workers for and by the fenestration industry.

Sub-Committees

Opportunity to participate on Fenestration Manitoba sub-committees.

Members-Only Website

Access to the members only website to view presentations, articles, Legal Forms, and the FenMan Newsletter.

Support

Opportunities to learn, network and exchange ideas with other fenestration industry professionals. Fenestration Manitoba events include:

- FenCon Conference and Expo includes sharing best practices and developments in the supply and manufacturing realms. Presenting workshops and seminars on key topics to increase productivity, and health of all aspects of fenestration companies.
- 6-10 additional Seminars per year on topics of interest to the Fenestration industry.
- Lunch and Learns, roundtable discussions and networking.
- AGM
- Christmas Networking

Promote

A strong industry with positive consumer perceptions of fenestration practices is beneficial to all member manufacturers and suppliers. Our mandate includes formulating and promoting high standards of quality in manufacturing, design, marketing, distribution, sales and application of all types of window and door products. Supporting the health of the industry by encouraging positive business practices with all member companies.
